AMERICA FOR AMERICANS  
MCKINLEY AND WILSON ABROAD.

In 1890 William McKinley was burned  
in effigy in the English manufacturing  
city of Sheffield; but in 1894 William  
McKinley was elected and elected in London  
because he is the author of a Free-trade  
Tariff Bill. These are significant facts.

THE SILVER PROBLEM.  
Commercial Gazette.  
Farmer Anderson has two thousand  
bushels of wheat.

Mr. Jones has a thousand dollars  
worth of silver bullion.  
Mr. Anderson's wheat is worth in the  
market \$1,000.

So is Mr. Jones's silver bullion.  
Mr. Jones goes to Philadelphia, takes  
his silver to the Mint and has it coined  
into two thousand nice, fine, pretty silver  
dollars.

When Farmer Anderson brings  
along his thousand dollars worth of  
wheat, Mr. Jones buys it, paying him \$1-  
000—and he has \$1,000 left with which  
to buy the wheat of the next farmer that  
comes along.

This is the silver problem. Some people  
are sure that all the farmers in the coun-  
try are cheating for it.

We would see a good many strange  
things in this country if the silver peo-  
ple could have their way.

THE deficiency in Uncle Sam's Treas-  
ury at Washington has passed the  
\$50,000,000 mark. More bonds, GOWDER;  
more bonds!

At Flemingsburg Sidney Dudley Post,  
G. A. R. and Albert Silsby Johnson  
Camp of Confederate Veterans will unite  
on the 30th in decorating the graves of  
the soldier dead, "regardless of the uni-  
forms they were while living." This be-  
gin to look like the war was over, sure  
enough.

W. C. SADLER of this city, JOHN C.  
WOOD of Mt. Sterling and JAMES S.  
HUFF of Carlisle, candidates for Rail-  
road Commissioner for this District, all  
claim the vote of Fleming, because each  
of the gentlemen is a native of that  
county. They ought to have it, but it  
puts our Fleming friends in a hole.

SEVERAL of the counties in his Dis-  
trict have been instructed for the Hon.  
JOHN W. LANGLEY for the Attorney  
Generalship. Mr. LANGLEY is an active  
force in Kentucky politics, and whether  
he receives the nomination or not, he  
will resign his position in Washington  
and come home in time to make him-  
self felt in the campaign.

James Hoffman, a Cincinnati bar-  
ber, is under arrest in Huntington for stealing  
a gold watch and ring from Miss Tracy  
Hawkes, with whom he had been keeping  
company. Miss Hawkes is a daughter of  
Mr. Conrad Hawkes, who formerly re-  
sided here.

"Mud" is the somewhat singular name  
of a brochure printed at Mineral Springs,  
Ind., and a copy before us contains this  
reference to one of our esteemed fel-  
low-citizens: "Judge A. E. Cole of May-  
sville, Ky., is spending a few weeks in the  
arduous duties of the Indiana Mineral  
Springs. The people of Kentucky are  
certainly to be congratulated upon having  
a man of so much integrity upon its  
bench." And this "Judge A. E. Cole  
of Mayville, Ky., has been Judge of the  
United States Circuit for fourteen years.  
It is said that he has been a judge of  
horseflesh even longer."

1000-Record-1000.  
The reader of this paper will be pleased  
to learn that there is at least one dreaded disease  
that science has been able to cure in all its  
stages, and that is Catarrh. Hail's Catarrh  
Cure is the only positive cure known to the  
medical fraternity. Catarrh being a constitu-  
tional disease, requires a constitutional treat-  
ment. Hail's Catarrh Cure is taken inter-  
nally, acting directly on the blood and mucous  
surfaces of the system, thereby destroying the  
foundation of the disease, and giving the peo-  
ple strength by building up the system. The  
proprietors have so much faith in its curative  
powers that they offer one Hundred Dollars  
for any case that it fails to cure. Send for list  
of testimonials. Address,

Something  
Wrong Somewhere

A dozen symptoms tell you so.  
Disordered stomach, upset  
nerves and loss of appetite;  
a feeling of indifference for the  
world and everybody in it, in-  
cluding yourself; eruptions that  
try to force the "badness" out  
through the skin all tell their tale.

It's Your Blood

That's raising all this disturbance.  
You turn away in disgust from  
a polluted stream of water, but  
you'll let your blood—the food  
of your vital organs—remain in  
just this condition. Don't do it!

Brown's  
Iron Bitters

It will cleanse your system of the  
causes of all petty ailments  
and fill your veins with new  
and lively blood, rich in nourishment.

Brown's Iron Bitters is pleasant  
to take. It will not stain the teeth  
or cause heartburn. See the  
red crossed lines on the wrapper.

THIS IS A PROGRESSIVE AGE!  
New and Startling  
Discoveries are Made Daily.

The greatest discovery for sufferers of  
Catarrh, Hay Fever, Asthma is Mayer's Ma-  
gnetic Catarrh Cure. It is wonderful cure  
since its discovery are known to thousands.  
This grand medicine will positively cure all  
cases of these terrible diseases.  
It accomplishes what no other remedy has  
done. So simple a child can use it. No cure  
for a three months treatment. Entirely new;  
no other remedy made like it. This is what  
the eminent Dr. Henry Carrington Alexander,  
D.D., LL.D., has to say of this marvelous cure:  
"The Mayer Drug Co., Oakland, Md.—Gentle-  
men: Ever since I have tried your famous  
catarrh remedy I have intended to give you  
my voluntary testimonial of its efficiency. I have  
been a sufferer for years from nasal and post  
nasal catarrh, and even now in my nose has  
been visibly changed in its shape.  
After a trial of all manner of good and  
indifferent remedies I have no hesitation in  
pronouncing your Magnetic Catarrh Cure the  
best, the speediest and most efficient remedy  
I have yet encountered. I want and predict  
your success in the effort to demonstrate the  
value of your great discovery in the way of my  
scientific and courteous testimony. You have  
made me your everlasting debtor. I am, my  
dear Sir, yours faithfully,  
HENRY CARRINGTON ALEXANDER.

PLAIN TALK!

In anticipation of an early and large spring trade we bought in large  
quantities the leading lines of the best and finest Footwear to be found in  
America. A combination of circumstances (viz, the forced sale of the  
stocks of two of Mayville's old and honored shoe merchants on this market,  
an extremely cold and backward spring, etc.) necessarily forces us  
to sell more shoes in a shorter time this season than heretofore. To meet  
the emergency of the hour, (as it has ever been our purpose,) and give our  
patrons the
